Mission

To provide dignity and hope for men,
women and children in African prisons,
from birth to death, through education,
healthcare, justice and reintegration.

Build strong, mutually
beneficial partnerships with
the Prisons Services,
governmental units and
NGOs

Strategic goal 1:
Become a beacon
of service in our
four areas of work

Strategic goal 2:
Establish a well
functioning
organisation

restoring self esteem,
equipping people in
prisons with formal
& information
education, &
vocational creative
training

Healthcare

preventative,

palliative healthcare
to prisoners from
birth to death

Justice

prisons, lawyers and
the judiciary with
legal knowledge, as
well as providing
legal and paralegal
services

Community Reintegration

Breaking the cycle of
crime, continuing
rehabilitation and
reintegration and
giving hope to
prisoners and their
families

Change local societal
perceptions about
imprisoned persons and the
prison service

Be on the ground on a day
to day basis to **monitor
changes**, reacting and
responding to needs

1. Short term: The provision of services to meet our beneficiaries immediate needs e.g. in healthcare

2. Medium term: Building and refurbishing infrastructure such as libraries

3. Long term: Training and developing the skills of prisoners, prison staff and other professionals

Strategic goal 3:
Broaden our
fundraising base

Strategic goal 4:
Broaden our
continental reach

Develop a community of
dedicated **staff and
volunteers**

Only work with **prison staff
and prisoners who
volunteer** to work with us
towards improving their
condition
